HERE'S the POINT

By SPENCE HELD

This is National Newspaper Week, and I guess I'll observe it by flushing a few anecdotes from my ink-stained past.

At the old Tribune office one of our copyreaders, a bottle-scarred veteran, had been out for his mid-morning cup of coffee.

Climbing the stairs, he rounded a corner and came face to face with a big buck deer.

"Hey!" he yelped, jumping back.

Yeah, I had been a little startled myself when the antlered creature stalked into the office with a police dog trotting behind. The owner of the animals, a woman from Boulder, Colo., hastened in to explain that "Chief" was a sophisticated young buck with a taste for black coffee and cigarettes. He rode in an auto and slept in a bed; turned on the radio and switched on the lights. He and the dog were pals.

* * *

Once a woman came into the office with an owl perched on her shoulder. "He's housebroke," she assured us.

(That recalls the time that Capt. G. Allen Hancock, the oil millionaire, posed for a photo aboard his cruiser, the Velero, with a couple of penguins. His nice white suit took a beating and he had to go below to change.)

* * *

An East Coast flea circus ordered a quantity of fleas from the San Diego Zoo. The fleas were obtained from some animal or other by the use of a special magnetic comb, as I remember, and then mailed to their destination.

Newell Jones wrote a story about it for the paper. I was working for The Associated Press on the side and put a condensed version on the wire.

The guy at the AP relay point in San Francisco promptly sent me this message:

"Why are San Diego fleas preferred, please?"

* * *

That threw me. I conferred with Jones, and we concocted a reply which was eminently satisfactory to both of us. I wired San Francisco as follows:

"Chamber of Commerce says San Diego fleas fatter, fancier and friskier. Won't bite human beings because they were disappointed trying to eat off Digger Indians."

We figured that would put the San Francisco guy in his place. He got even with us, though—he tacked a sentence onto the story to the effect that "The fleas won't bite human beings because they were disappointed trying to feed off native San Diegans."

* * *

During World War II there was a news vendor at Third and Broadway who got a little excited at times.

"Hey, Oklahoma's bombed!" he yelled one day. "They bombed Oklahoma!"

He was in a dither, jumping up and down and prancing wildly in all directions. This is something, he reasoned. Everybody from Oklahoma will go for this!

I glanced at the headline: YOKOHAMA BOMBED.

* * *

Heck, that's nothing. The old San Diego Sun, defunct since 1939, had a newsboy who used to run up and down the streets in Coronado bellowing, "Extra! Extra! Baby born with a beard!"

The Sun had some strange and wonderful reporters, too. I remember one character with large wind-resisting ears and an odor of cheap whiskey about him (this was during Prohibition) who sometimes preached in small back-country churches on Sundays. He had many children and uncounted houn' dogs.

* * *

On the other hand, the best guy I ever knew was a newspaperman. Art Hunt, city editor of the Tribune for more than 15 years, who lived in Ocean Beach, had the soul of a poet.

Despite the constant impact of disturbing news on his sensitive nature, he remained an idealist until the day he died in 1945.

His kindness and understanding live on in the hearts of many who knew him.

Clyde Wood Cites Role Of Weekly Newspapers

"Community newspapers" were discussed by Clyde Wood, general manager of the Peninsula News, in a National Newspaper Week talk to Ocean Beach Kiwanis Club Tuesday night.

Wood said that weekly community newspapers perform services which dailies cannot render. "A daily," he said, "covers the city as a whole but spreads its coverage thin and cannot adequately render complete service to any separate geographical area like the Peninsula."

A community newspaper, by providing intensive coverage of local news and supporting local projects, performs a valuable service to the area unequalled by any other medium of information, he added.

Wood cited the recent Point Loma sewage plant controversy, covered intensively by the Peninsula News, as an example of service performed by a community newspaper.

"Although weekly newspapers have not reached their peak in advertising volume," he said, "weeklies are being used increasingly by merchants as they become more aware of the potency of an advertising message delivered to the public in a concentrated area through a local newspaper."

Frank Swan, former publisher of the Peninsula News, was program chairman. He cited this newspaper as being the only one 100 percent interested in the Peninsula area.

Deep Sea Fishing Continues To Provide Sport

With another hot run of yellowtail building up at the Coronado Islands, deep sea anglers are about convinced that the fishing pattern cut in other years does not even begin to fit amazing 1954 in any shape or form.

For the last half dozen years, the arrival of Labor Day was the signal for an immediate slump in fishing, but not so this year. One of the heaviest runs of yellowtail of the season developed in September and another seems to be building up to match it now.

For example, less than 100 anglers took 209 yellows and lost easily three times that many last Saturday. One of the top performers was Jerry Bell, of Ocean Beach, who landed seven to keep pace with FrankA Woolman and C. E. McClusky, of San Diego.

At the same time, there was considerable improvement shown at the La Jolla and Point Loma kelp beds, and bluefin tuna again appeared on the scene at the latter spot to add to the excitement.

Marlin fishing also continued at a lively pace and Al Penrose, president of the Marlin Club, reported that 327 had been checked by his club and 14 others weighed elsewhere through last Saturday. That put the current season far ahead of last year and on a par with the banner year 1952, when 485 were bagged

The Ocean Beach 20-30 Club has been granted the right to operate the Kiddie Rides at the Farmers' Market on Midway Dr. tomorrow, Oct. 8.

"Mr. Hill has made this generous offer," it was announced, "and the proceeds will be given by the 20-30 Club as its annual donation to the Rheumatic Fever Fund."

O. B. Nurse Goes To Puerto Rico

Barbara McDonald, daughter of Dr. and Mrs. Glen H. McDonald, 4404 Voltaire St., left Oct. 3 to fill a mission appointment with the Seventh-day Adventist Church in Puerto Rico.

Miss McDonald is a registered nurse and will be assigned to the staff of the Bella Vista Mission Hospital operated by the Adventist church at Mayaguez, Puerto Rico. The hospital was established in 1953 and is a 75-bed institution.

The mission appointee was born in San Diego and spent most of her life there and in Ocean Beach. She completed her elementary and secondary training at San Diego Union Academy and took pre-nursing at La Sierra College, Arlington, Calif. In 1950 she was graduated from the school of nursing at the Adventist College of Medical Evangelists. She has recently served as office assistant for her father, Dr. McDonald.

Prior to that she was on the nursing staff at St. Joseph Memorial Hospital, St. Joseph, Mich., and St. Helena Sanitarium and Hospital, Angwin, Calif. She completed her Bachelor of Science degree in nursing education at Pacific Union College, Angwin, this spring.

In addition to serving as a nurse, Miss McDonald also will aid in the training program for student nurses enrolled at the Bella Vista Mission Hospital.

Inspiration for accepting the mission appointment came as a result of a visit to Adventist mission stations in Mexico, Cuba, Jamaica and Puerto Rico two years ago.

Over 200 Attend Board Of Education Meeting Here Tues.

More than 200 Peninsula residents attended a regular meeting of the San Diego Board of Education Tuesday night in Dana Junior High School auditorium, according to Clarence Swenson, Dana principal.

This was the first of a series of such meetings to be held by the board throughout the city.

In addition to routine business, the session included a demonstration by Robert Burgert, director of audio-visual education for the City Schools.

HOME—It's a frightening situation for any youngster to be left without a home. The San Diego Children's Home, a Red Feather service, provides friendly atmosphere for children of school age who cannot stay with their own families or in a foster home. Also, there are facilities for temporary care in emergencies. You support this and many other Red Feather services when you give to the Second United Success Drive—THE Community Cause.

O.B. Volunteers Needed For Big Success Drive

Pointing out that such youth organizations as the Boy Scouts, Girl Scouts and Camp Fire Girls are supported by the Community Chest, Mrs. Joseph Fischer Jr., Ocean Beach district chairman, yesterday voiced an urgent appeal for volunteer block workers in the residential phase of the Second United Success Drive.

"One of the areas which needs block workers the most is between Brighton Ave. and W. Point Loma Blvd.," she said.

Ocean Beach in general, which benefits extensively from the Red Feather Community Chest agencies, needs many more volunteer workers in the residential drive which begins Oct. 18.

Mrs. Fischer made a special request for volunteers to call the following zone chairmen in this area: Mrs. Gene Austin, AC-2-5103; Mrs. Harold Schields, AC-3-1170 and Mrs. Joseph Hill, AC-2-1962.

Meanwhile, George A. Scott, general chairman of the Second United Success Drive, also emphasized the need for women volunteers.

"Women are important to this campaign," he said. "Housewives are the busiest people in town, but they always seem to have time to take on an extra job or two, especially where the welfare of the community is concerned."

A special television instruction program will be presented from 9:15 to 9:30 a.m. on Oct. 18. Scott said that workers will meet at the homes of their zone chairmen to watch the program and then will start out to campaign in their areas.

Funds from the annual fund-raising drive will finance operating expenses of all Red Feather services united in "The Community Cause." Goal for this year is $1,350,500. This is an increase of 5.59 percent over last year's goal.

CAMPAIGN—Congressman Bob Wilson, left, discusses campaign plans wth Edmund L. Flood Jr., of 3512 Sterne, Ocean Beach chairman of his re-election committee.

LOMANS COLLIDE WITH HOOVER FRI.

Point Loma High School's football team, definitely an underdog, will take on powerful Hoover High in a crucial City League game tomorrow at 8 p.m. on the East San Diego gridiron.

Coach Don Giddings announced a tentative Loman starting lineup, as follows: Marcie Lampkin, left end; Dave Disney, left tackle; Dick Love, left guard; Billy Dyson, center; Pete Palermo or Win Ward, right guard; Jerry Ohlin, right tackle, and Greg Widders, right end.

Bill Harvey will start at quarterback, with Frank Rogers and John Dawson at the halfback spots and Ray Blasingame, fullback.

With few Point Loma rooters present, the local team was defeated, 20 to 6, by Chula Vista Friday night on the Southbay field.

The Lomans looked good on a 59-yard drive sparked by Rogers, which saw Dawson finally going over to score from the 7-yard line. The second half was all Chula Vista.

It is hoped that a large crowd of Point Loma students and others from this area will attend the Hoover game tomorrow night to give the team their moral support.

Countesses Stage 'Help Week' At Pt. Loma High

The Countessés, girls' service organization at Point Loma High School, is following the lead of some college fraternities and sororities in having a "Help Week" instead of the old-fashioned "stooging" for initiates.

This will begin tomorrow and continue trough next Friday. The eight new juniors and seniors (there are 17 other members) will help clean up the campus, do odd jobs for teachers, etc.

They will carry large shopping bags labeled 'Countesses Are Here To Help."

Here's A Chance To Help Children At New Hospital

If you can type, run a switchboard, take shorthand, or if your talents run to arts and crafts, music and ceramics, there may be a spot for you in the volunteer program at the new Children's Hospital.

Top need at the moment is for recreational and secretarial aides to serve in daytime assignments in a volunteer capacity at the hospital.

Recreational aides will work in the occupational therapy room, with patients in their rooms and in the playroom. They will assist the occupational therapy staff in such activities as arts and crafts, music, weaving, ceramics, drawing, library and group projects.

Secretarial aides will assist the professional staff in the administrative office and outpatient office. Their duties will include filing, running the switchboard, typing, mimeographing , taking shorthand and general clerical work.

Hours for volunteer duty for both services will be from 9 a.m. to 12:30 p.m., or from 1 p.m. to 4:30 p.m. Monday through Saturday, with limited activities on Sundays.

Interviews for volunteer workers, who must be at least 18 years of age, will be held next week at the hospital, according to Mrs. A. Richard Stern, chairman of the interviewing committee. She will be assisted by Mrs. J. L. Burkholder ,Mrs. W. M. Shanahan and Mrs. David Porter, all of Point Loma. Interview hours on Monday and Tuesday, Oct. 11 and 12, will be from 10 a.m. to 3 p.m., and on Wednesday, Oct. 13, from 2 p.m. to 7 p.m.

The hospital is reached by Highway 395, and is located 1½ miles north of the Mission Valley cloverleaf.

Council Favors Jetty 'Or Something' Here

Assurance that the City Council favors a jetty "or something to hold the sand in place after it is dredged from Mission Bay Channel and dumped on the local beach," was given by Councilman Clair Burgener in a recent conference with Harry La Dou, president of the Ocean Beach Chamber of Commerce.

That was the report made by La Dou at a meeting of Chamber directors Tuesday. (Construction of a groin or jetty extending from the foot of Saratoga Ave. is advocated by the Chamber.)

Meanwhile, Glenn Rick, City planning director, returned from a trip to Washington, D. C., during which he consulted Federal authorities regarding the beach erosion situation here. His report is being awaited by the local Chamber.

La Dou quoted Councilman Burgener as saying that 1,600,000 cubic yards of spoil would be dredged from Mission Bay Channel. Some 250,000 cubic yards would be required to fill in the beach between Newport and Cape May Aves., it was said. Estimated cost of the groin was given as $45,000.

Burgener indicated he favored acquisition by the City of certain privately-owned property adjacent to the local waterfront, La Dou reported. He quoted the councilman as saying there were no funds now available for completion of the Wabaska Freeway.

The Chamber has received 69 replies from local business men answering questions about the parking situation here. Some 126 questionnaires were sent out.

Directors for 1955 will be elected by the Chamber at a general membership meeting Nov. 13.

Stevenson Rally 'Package Deal' Offered Here

The five-dollar seats and $2.50 sections of Hollywood Bowl have been sold out for the Adlai Stevenson-Democratic Rally Oct. 9, according to word received by San Diego sponsors of the car and bus caravan which will leave from here that day, and a sell-out of the one-dollar seats before the rally is anticipated.

Mrs. Myron Lustig, of the Pt. Loma Democratic Club, who is in charge of the local "Fair Deal Package" plans—$6 per person for a round-trip in an air conditioned bus, box supper, and seat in the San Diego reserved section at the rally—yesterday announced reservations already received have more than filled one bus and booking of a second bus for the caravan has already started.

Reservations for the package deal can be made either with Mrs. Lustig at AC-3-5108 or Mrs. Alan Firestone at AC-3-3278. The buses will leave the bus depot at First Ave. and Broadway at 3:30 p.m. Oct. 9 and will return to San Diego when the rally in Hollywood Bowl is finished. Stevenson will make a major speech of the Democratic campaign at the rally.

Pt. Loma Optimist Club Organized

Charter officers of the new Point Loma Optimist Club were announced this week, as follows:

L. Leonard Bonham, president; Eugene H. DeFalco, Jack E. Brice and Robert C. Gordon, vice presidents; Jerome B. Pendleton, secretary-treasurer; James W. Brower, sergeant-at-arms; and directors Eugene O'Neal, Bruce F. Fennell, Don J. Graser, Vernon M. Brown, A. N. Kuensting and A. M. Akin.

The club includes 25 founder-charter members. Another 25 will be accepted to complete the roster by Oct. 15.

Parking Meters Plus Parallel System Urged

Parallel-to-curb parking in Ocean Beach is favored by Mrs. Irving L. Maurer, of 4639 Adair St., in a letter to John Pierce, secretary of the O. B. Chamber of Commerce. She wrote as follows:

"Regarding the critical parking problem in Ocean Beach, DO have parallel-to-curb parking. There have been two accidents in this family in the past year caused by others backing out of parkings on Newport.

"DO have parking meters and keep the big parking lot that was fixed up for public parking which the merchants failed to let anyone know about, so no one used it.

"DO ban all store deliveries from Newport. Many times a large truck is in an angle parking, completely blocking one lane of traffic, and as anyone who uses Newport knows, the street is far from wide enough to handle traffic without one lane being blocked. All stores have entrances on an alley so there is no reason for front deliveries.

"DO either ban all parking on Sunset Cliffs Blvd. from Voltaire to Point Loma Ave., or at least limit parking to one side only. That street is simply not wide enough to carry the amount of traffic that it does and provide two lanes of parking also.

"Four members of this family feel very strongly about these suggestions; we hope something can be done and soon.

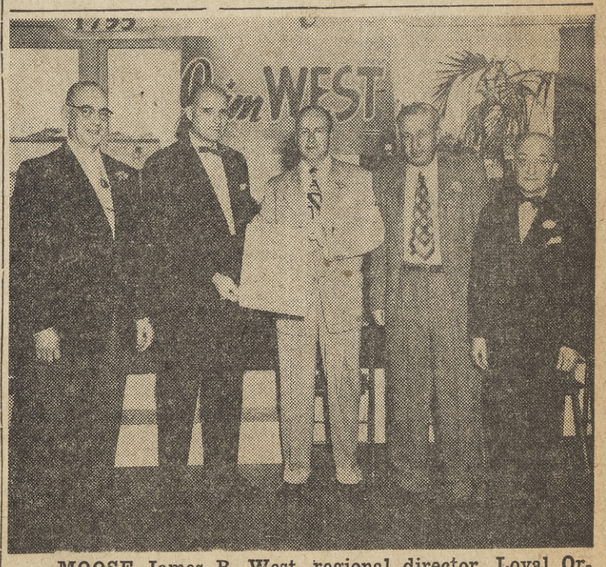
"The merchants are not the ones to get your answers from—it is not they who do the parking and struggle with the situation. We have been known to go clear to Pacific Beach to shop because of wider streets and better parking."

Wileys Purchase The Mermaid

Purchase of The Mermaid at 5023 Newport Ave., by Bill and Myrtle Wiley, was announced this week.

They will serve high-class food, along with liquid refreshments, it was said.

The place is being remodeled and will be named "Wiley's."



MOOSE James B. West, regional director, Loyal Order of Moose, presents the charter of the new Ocean Beach Lodge to David Noel, governor, Sunday. Left to right are Robert Bruell, past governor; West, Noel, Charles Freeman, 2-year trustee, and Ray B. Goodman, of Oceanside, membership director in charge. A class of 134 members was initiated, Freeman reported.—Michael Maconnell photo.

Earnie Rydberg's Newest Novel Now In Local Stores

By Daisy Munchiando

Earnie Rydberg, popular local author, has written three successful novels within the past eighteen months.

Bright Summer, the first, a story for children eight to twelve years of age, has piled up the sales.

The Silver Fleet, a story of San Diego's tuna industry, has exciting adventure of San Diego's Tuna Fleet, the lives of the fishermen and their families.

Sixteen Is Special, is a teenage story, depicting the inside story of San Diego's hot rod drivers, and the high school crowd.

Longmans, Green and Co., the publishers, are very enthusiastic about all of Rydberg's books, but they have wired that, judging from sales indications, Sixteen is Special, will break his record.

"My next effort will be a sequel to this book," he told me. "I was not crusading," confided Rydberg, "when I wrote the story about the Hot Rodders."

"Are these kids as tough as they sometimes seem?" we broke in. "No, definitely not," defended Earnie. "These are good kids, serious minnded and aggressive. They are our future. I believe in them." The locale of this story in San Diego, Coronado, the Silver Strand, National City and Del Mar.

Rydberg had just returned from an interview on Harold Keen's TV program. He sat, casual and relaxed, and puffed leisurely on the ever present pipe. I fired the questions. He fired the answers right back, straight and direct. An easy manner, ready wit and a twinkle in his eye belies his otherwise serious demeanor.

Born in Central City, Nebraska, his family came to Calif. when he was two, later moving to Wyo. where he was until eleven, when they returned to Calif. and made a permanent home in Orange County.

He is of Swedish extraction, paternally, and his mother was Scotch and French. He is a direct decendent of Victor Rydberg, famous Swedish writer of Historical novels. His grandmother, Watson, was first cousin to John Watson, who wrote under the name of Ian McLaren. He wrote, "The Bonnie Brier Bush," often quoted by Alexander Wolcott.

Earnie grew up in the citrus country of Orange county and when he was fifteen he and another boy hired out to a grower. 'We worked side by side with the Mexican laborers," he reminisced,

When he was twenty, a real estate broker, who was a friend of his, bought some acreage near the little town of La Golindrina, and subdivided it to sell to Mexican families. Some of them had trouble making their payments. Earnie was elected to do the collecting. He went on paydays and collected, one, two and three dollars at a time. They became fond of him, looked forward to his coming and dubbed him "El Banko."

Graduating from the University of Arizona, he has since worked at many jobs including, furniture salesman, warehouse mgr., boat purser, mining company, used car salesman and social worker. He feels that all of these jobs added to his store of knowledge for writing material.

In 1946 he sold a story to The American Girl the official Girl Scout Magazine. The story called Its A Gift, ended without disclosing the contents of the gift package. Earnie was swamped with letters, demanding to know—so he wrote the publishers for advice. They wired back: "Have thousands of letters also, write a sequel, immediately, so they will stop!"

There was seven anthologys written on Rydberg's stories, some in foreign countries, including Indonesia, which is something of a record!

Rydberg holds down a full time job as administrative associate for the Department of Public Welfare.

He teaches a class in writing at Grossmont Adult School, called The Writer's Workshop. His pupils made ten sales last year.

On weekends, he does his own writing, in garage-office at his home 1837 Chatsworth where he lives with his wife, Louisa and his nineteen year old daughter, Sonya.

Mrs. Rydberg is a writer in her own name, selling to Ladies' Home Journal, Seventeen, Jack and Jill and Child Life ,to name a few. She is president of the National League of American Penwomen, Ocean Beach branch.

"Louisa is one of the main Earnie. She has encouraged and reasons for my success," said helped me through the years and our lives are close and companionable. When two people think, talk and read along the same lines, it helps a lot. Lou is a better writer than I am, and sells a bigger percentage of her work, but I work harder at it," concluded Earnie.

FAMILIAR DUET—For premier program of Pacific Telephone's new "This Is Your Music" television series Byron Palmer and Joan Weldon sing "By the Light of the Silv'ry Moon" from the "Showboat" episode. Program is presented, starting next Sunday at 6:00 p.m. over KFSD, channel 10.

COOL REFRESHING SHERBERT

A ring mold of sherbet filled with fresh or frozen fruit makes a delightful summertime dessert. You can mix it at home in a minute and freeze it in a short 3 hours.

ORANGE-COCONUT SHERBET

2 cups cold milk
2 cups orange juice
2 packages instant coconut cream pudding

Pour milk and juice into a deep mixing bowl. Add pudding and beat until well mixed, about 1 minute. Pour into an 8-inch ring mold. Freeze until firm, about 3 hours, in refrigerator freezing compartment with control set for fast freezing, or in freezer. To serve, loosen edge with thin sharp knife, turn out on platter. Fill center of mold with fresh or frozen fruit. Makes 8 to 10 servings.

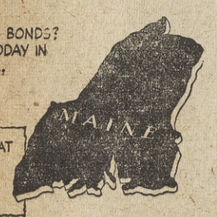
PARROTS HAVE ACHIEVED IMMORTALITY BY THEIR ABILITY TO REPEAT WORDS AND SENTENCES. YET PARROTS IN THEIR WILD STATE ARE NEVER KNOWN TO IMITATE THE SOUNDS OF OTHER ANIMALS! SOME PARROTS HAVE VOCABULARIES OF MORE THAN A HUNDRED WORDS—AND SOME OF THESE VERSATILE BIRDS HAVE ACTUALLY BEEN KNOWN TO APPEAR AS WITNESSES IN COURT WITH LEGAL RECOGNITION GIVEN TO THEIR TESTIMONY!

HERE ARE SOME WORDS AMERICANS ARE LEARNING THE TRUE VALUE OF: "BUY U.S. SAVINGS BONDS! THEY REPRESENT VALUE AND SECURITY" AND REMEMBER—BONDS ARE BETTER THAN EVER!"

Where's America?

ALTHOUGH CHRISTOPHER COLUMBUS MADE FOUR TRIPS TO THE WESTERN HEMISPHERE, HE NEVER ACTUALLY LANDED ON, OR SIGHTED ANY OF THE TERRITORY WE NOW KNOW AS THE UNITED STATES! AMONG THE ISLANDS HE ACTUALLY VISITED WERE SAN SALVADOR, CUBA, JAMAICA, ST. LUCIA AND MANY OTHERS.

HAVE YOU DISCOVERED U.S. SAVINGS BONDS? THEY ARE YOUR BEST INVESTMENT. ENROLL TODAY IN THE PAYROLL SAVINGS PLAN WHERE YOU WORK.



MAINE IS THE ONLY STATE IN THE UNION THAT IS TOUCHED BY ONLY ONE OTHER STATE. TENNESSEE AND MISSOURI ARE BOUNDED BY THE MOST STATES—EIGHT!

Camp Fire Activity

By Pat Gibb

Nearly 80 girls enjoyed their day at the Camp Fire Day Camp. The Get Acquainted Round Up picnic at Camp Lolegro was truly a success. Eleven mother-leader-Coworkers were a little weary, but very happy with satisfaction when the day was over. Songs that every Blue Bird and Camp Fire Girl should know, or will be learning very soon, were sung.

"Sack Lunches" were brought by each girl and the leaders had punch and lollypops as an added surprise for the youngsters. Mrs. Fran Harvey, section leader, was responsible for preparations and arranging transportation for the event with the help of Mmes. Jeannes Yates, Pat Gibbs, Marion Gentles, Mary Wood, Roma Shaffer, Marie Love, Margaret Bone, Dorothy Horton, Dorothy Clark and Virginia Martin.

The WA NI YA KI Group from Silver School met on Sept. 20 at the home of their leader, Mrs. L. R. Gentles. This group of girls have met all summer with their capable leader.

New officers were elected at the last meeting. Judy Sherwood is to be the President of the group for the next three months, with Vice-president Sherry Fleenes, secretary Marsha Weiss, treasurer Anne Gentles. This group of girls elect new officers every three months in order that each member be given the chance to participate in office, thereby assuming new responsibilities for each office mentioned. The entire group pare now working on their "Trail Seekers Rank" and will soon learn more honors.

A TA YE ME WA group at their first meeting elected Betsy Bone, president, with vice-pres., Patty Harvey, Barbar Riley, secretary; Courtney Wyatt, treasurer; Betty Ragenovich, scribe; Anita Kiraly, hospitality; Monica Chandler, telephone, and Jo Ellen Winkler, games.

Mrs. Waldo Lyon will be entertaining the Point Leaders' Association on Octobzer 13 at 1 p.m. in her home. The purpose of this tea-meeting combination is to acquaint the new leaders with the more experienced leaders. Leaders and co-workers have the ever ending job of planning activity for these youngsters at all their meetings throughout the year. This program is far more extensive than meets the eye. It really is a full time job for all these ladies. With over 30 groups consisting of more than 300 girls all mothers are invited to help participate in this program in the entire Point area.

Ocean Beach PTA Membership Drive Now In Full Swing

The Ocean Beach Elementary School PTA is striving this week through the 10th to build its membership to a total of 800 for the year. This week was proclaimed by Mayor John Butler at PTA Membership week.

Members of the PTA are urging every parent, mother and father, to join the ranks of parents and teachers to bring about a better understanding of the school curricular and of the problems existing. Membership Chairman Mrs. J. F. Fisher related that the group is working arduously to build their membership. The theme this year is "Membership Plus Participation Equals Progress Through Action."

It was pointed out that more fathers should enroll in the PT. The PTA feels that with both mother and father belonging it means a 100% participation in the program of educating and raising the children to be tomorrow's leaders.

The first meeting will be held October 12 following the initial membership drive. Programs have been arranged for both afternoons and evenings so that mothers and fathers can attend at least one program. Support your PTA by participating in its activities . . . do this by joining NOW.
